## MOL New & Young Worker Blitz

New workers are three times more likely to be injured during their first month on the job. The Ontario Government has launched a summer safety blitz to protect workers. Targeted inspections will be focused on the safety of summer students. The blitz will run until August 30.

## What is Your Current Resiliency Level?

The **Conference Board of Canada's Employee Experience for a Respectful Workplace Survey** explores employees' experiences with bullying, harassment and workplace violence. The questions in this review will help you self-evaluate your level of psychological safety as well as help inform on changes in OHS legislation with respect to workplace violence across Canada.

## Preparing for WSIB's New Premium Rate Model & Your 2020 Premium Rates

Starting September 25, businesses will begin to receive their 2020 premium rate information. Having this information early will help businesses prepare to transition to the WSIB's new premium rate-setting model. Register for one of the WSIB's free information sessions to learn more about the upcoming changes and ask questions.
