Additional Services	
<p>Additional Service Description & Fees: To complete the topics, additional health and safety specialized service consulting, training, detailed policy review or development and products can be provided for additional fees with a separate contract</p>	

Health and Safety Excellence Program

Application and Service Agreement

2021 Registration

Approved Provider: Public Services Health & Safety Association

Terms and Conditions of Participation

The Client will:

- Submit a completed application and service agreement to PSHSA to be registered into the Health and Safety Excellence program
- Have an active account in good standing with the WSIB in order to apply to participate in the Health and Safety Excellence program
- Only register with one Program Provider during a 90 day + 12-month cycle, and cannot switch unless approved by the WSIB
- Complete a health and safety assessment through the WSIB digital portal
- Complete a Culture Assessment (voluntarily)
- Select between one (1) to five (5) topics from the 36 topics as set out in the guidelines for program members, and submit the action plan within 90 calendar days of accessing the WSIB digital portal
- Be required to attend a minimum of 50% of PSHSA provided member webinars.
- Is encouraged to attend networking opportunities or meetings as possible to share best practices with similar firms registered with PSHSA in the Health and Safety Excellence program
- Access PSHSA's members only website and resources and templates
- All new members are required to view the recorded foundational step videos.
- Complete and implement each topic using the WSIB's "five steps to managing health and safety", or "Plan Do Check Act"
- Develop and complete the selected health and safety topics for all locations covered by the WSIB account number registered in the Health and Safety Excellence program
- Submit topic evidence story with best supporting evidence for a WSIB desk validation after 90 calendar days and up to 365 calendar days of action plan completion
- Topic rationale is to be submitted for provider review a minimum of 3 weeks prior to the 90 days program time limit.
- Evidence story and best supporting evidence must be submitted to PSHSA for review a minimum of 6 weeks prior to the action plan expiry date and submission to WSIB.
- Participate in the desk validation by the WSIB as required, and address any identified gaps within 60 days thereafter
- Participate in an onsite validation by the WSIB if the Client is so selected, and allow WSIB access to all locations under the account number
- Maintain a point of contact with PSHSA, and notify PSHSA if there are any changes in program developments, challenges, or primary point of contact
- Adhere to the Health and Safety Excellence program requirements as outlined in the Guidelines for program members, current edition.

By signing this, I:

- Agree to abide by the Terms and Conditions of Participation above, as well as full terms and conditions [here](#).
- Agree to pay all program fees as outlined above.
- Acknowledge that I understand the rebate and recognition eligibility as outlined in the WSIB Guidelines for program members, and that rebates and recognition will be managed by the WSIB and are not guaranteed by PSHSA.
